Team Challenge Grant

It's back! An exciting ALS Walk for Life Team Challenge grant opportunity was made possible by a generous gift from the Haarlow Family Foundation.

Starting from **AUGUST 1**, the first ten teams to raise **\$1,000 AND** recruit **10** new team members will have their **\$1,000** matched **THREE** times, earning an additional **\$3,000** for their team!

Congrats to the **8** teams that already qualified for the Team Challenge and tripled their impact! There are **two spots left** and the competition is heating up so recruit your friends and family to join your team and kick up your fundraising. Winning teams will be notified via email and we will make a final announcement once all ten teams have qualified. [Head to your Participant Center to get started>>](#)

Gain Workplace Support

Another great place to kick up your fundraising is at your workplace. Many companies match employee contributions and some even offer fundraising grants for employees participating in or volunteering at charitable events.

We created a handy PDF below with the most common ways our Walkers use their professional networks so you can further your fundraising goals. [See how you can utilize your workplace and seek corporate sponsorships>>](#)

Thank You to Our Sponsors

Our ALS Walk for Life would not be possible without the generous contributions of our sponsors, the Foglia Family Foundation, Mitsubishi Tanabe Pharma America, Cytokinetics, 303 Products, First Bank of Highland Park, Hill-Rom, 101.9 The Mix, ABC 7 Chicago, Comcast, Bai, Corner Bakery, KeVita, KIND, Lee n' Eddies, Lifeway and WTR MLN WTR, who have already pledged their support through cash, media and in-kind donations.

Generous corporate support and donations from Walkers like you help the Walk continue to raise close to a million dollars to support people living with ALS in the Chicagoland area.
