### Honoring PALS

The ALS Walk for Life is a day to honor those currently battling ALS and remember those we lost far too soon. All of us have a reason why we participate in the Walk for Life. All of us have someone we are walking to honor. Together, let's join forces and make this the most inspiring, hopeful and successful

### March of Faces Banners

The Foundation currently has 17 March of Faces Banners and accepts submissions for banners on a rolling basis. These banners are pictorial displays of brave individuals, both past and present, stricken with ALS that are proudly displayed at Foundation events including the Walk. If the loved one you are walking for is not already included on one of the Foundation banners, please complete and submit this form. [Get started >>](#)

### Fundraising Tip: Every Penny Counts

It's amazing how quickly spare change can add up so we encourage you to utilize the Foundation's coin banks! Ask local businesses to support your team by placing coin banks at their registers. Gain your colleague's support by keeping a bowl of candy on your desk with a coin bank and sign next to it. The opportunities are endless! [Contact us to get your coin bank>>](#)
