

## Directions, Maps and Parking

### Directions

Soldier Field's address is 1410 S. Museum Campus Drive, Chicago, IL 60605. Since you will be parking in the Waldron lot, please exit Lake Shore Drive via 18th Street and the entrance to the garage will be on your left. You can find directions from major highways on Soldier Field's [website](#). Allow plenty of time for traffic and construction.

### Maps

To ensure you know where everything is taking place, we've created several different maps for you to reference. We have a parking map, site map and route map. Please take a look at all three maps (included below) to familiarize yourself with the layout and surrounding areas.

### Drop Off Details

There is a passenger & supply drop off point just north of the team gathering area. Anyone can use the drop off point to unload supplies, people, etc. and then proceed to the appropriate parking lot. The drop off point is located on the south east side of Soldier Field in front of Gate 14 and can be accessed off of Museum Campus Drive.

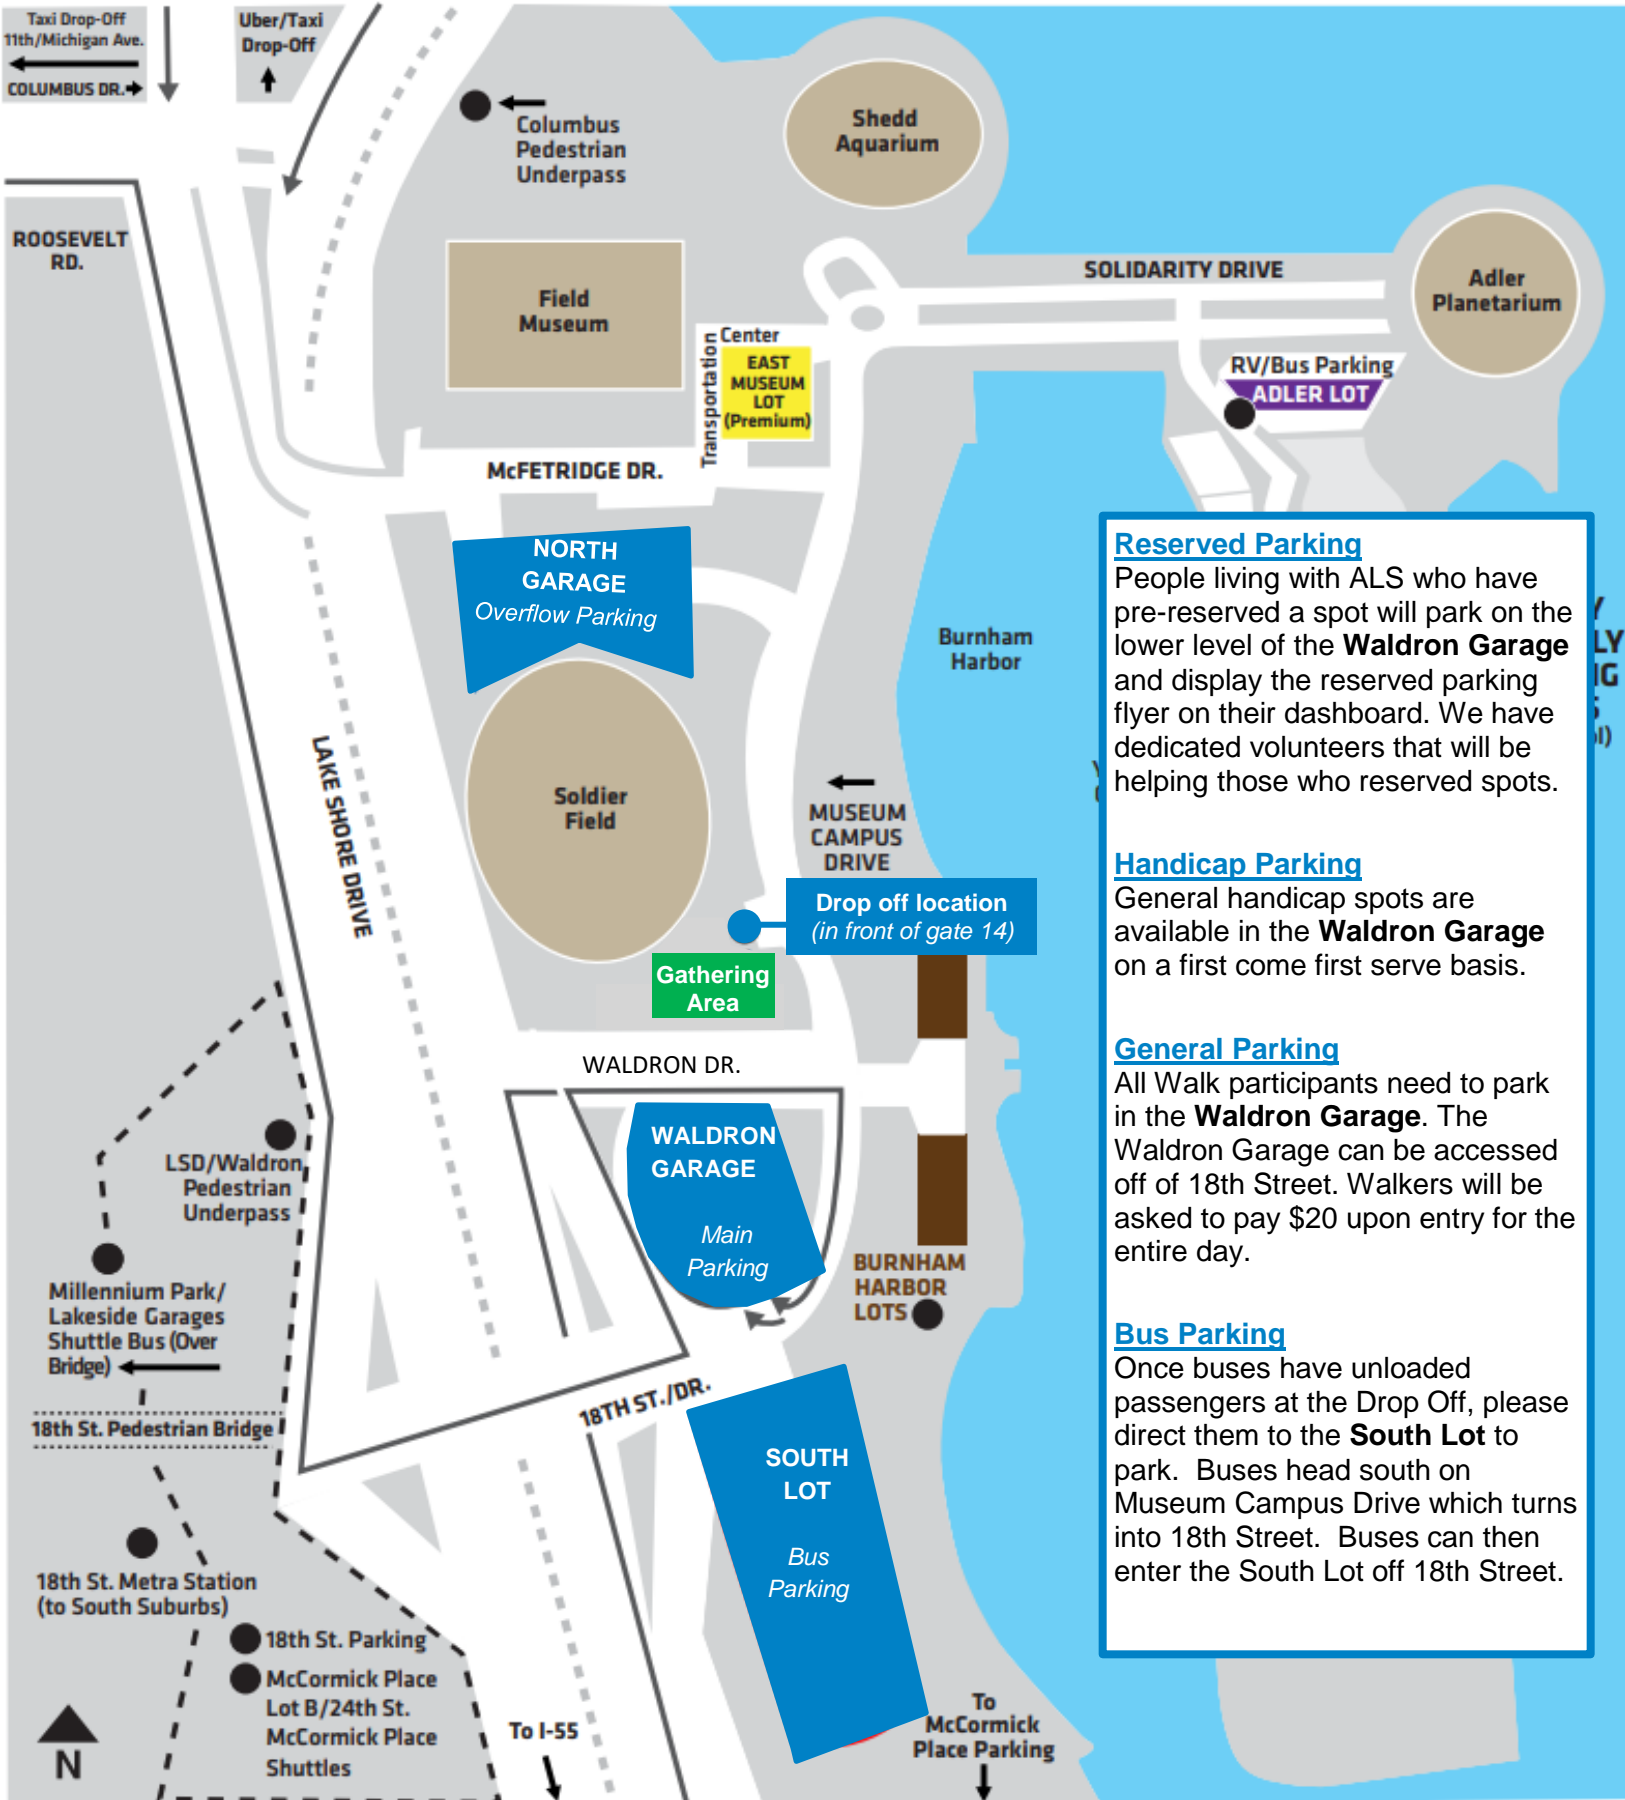

### Parking

**General Parking:** All participants will be parking in the Waldron lot, which is located south of Soldier Field and can be accessed from 18th Street. Each car will be expected to pay \$20 upon arrival (cash and credit card accepted). Please note, we **do not** have control over the parking rates, the Park District mandates these rates.

**Reserved Parking:** There will be parking spots in the lower level of the Waldron lot garage for people living with ALS that must be reserved ahead of time. This garage is located south of Soldier Field and can be accessed off of 18th Street. Please note, we will email you a reserved parking flyer ahead of time to display on your dashboard on the day of the Walk. If you or someone on your team needs to reserve a spot, please contact Shelby at [sanderson@lesturnerals.org](mailto:sanderson@lesturnerals.org). Handicap parking for the general public is available in the garage on a first come, first serve basis.

**Bus Parking:** If your team is arriving by bus, you must use the drop off point in front of Gate 14. Once team members are off the bus, drivers will be directed to park in the South lot which is across the street from the Waldron lot and can be accessed from 18th Street.

# Parking Map

### Reserved Parking

People living with ALS who have pre-reserved a spot will park on the lower level of the **Waldron Garage** and display the reserved parking flyer on their dashboard. We have dedicated volunteers that will be helping those who reserved spots.

### Handicap Parking

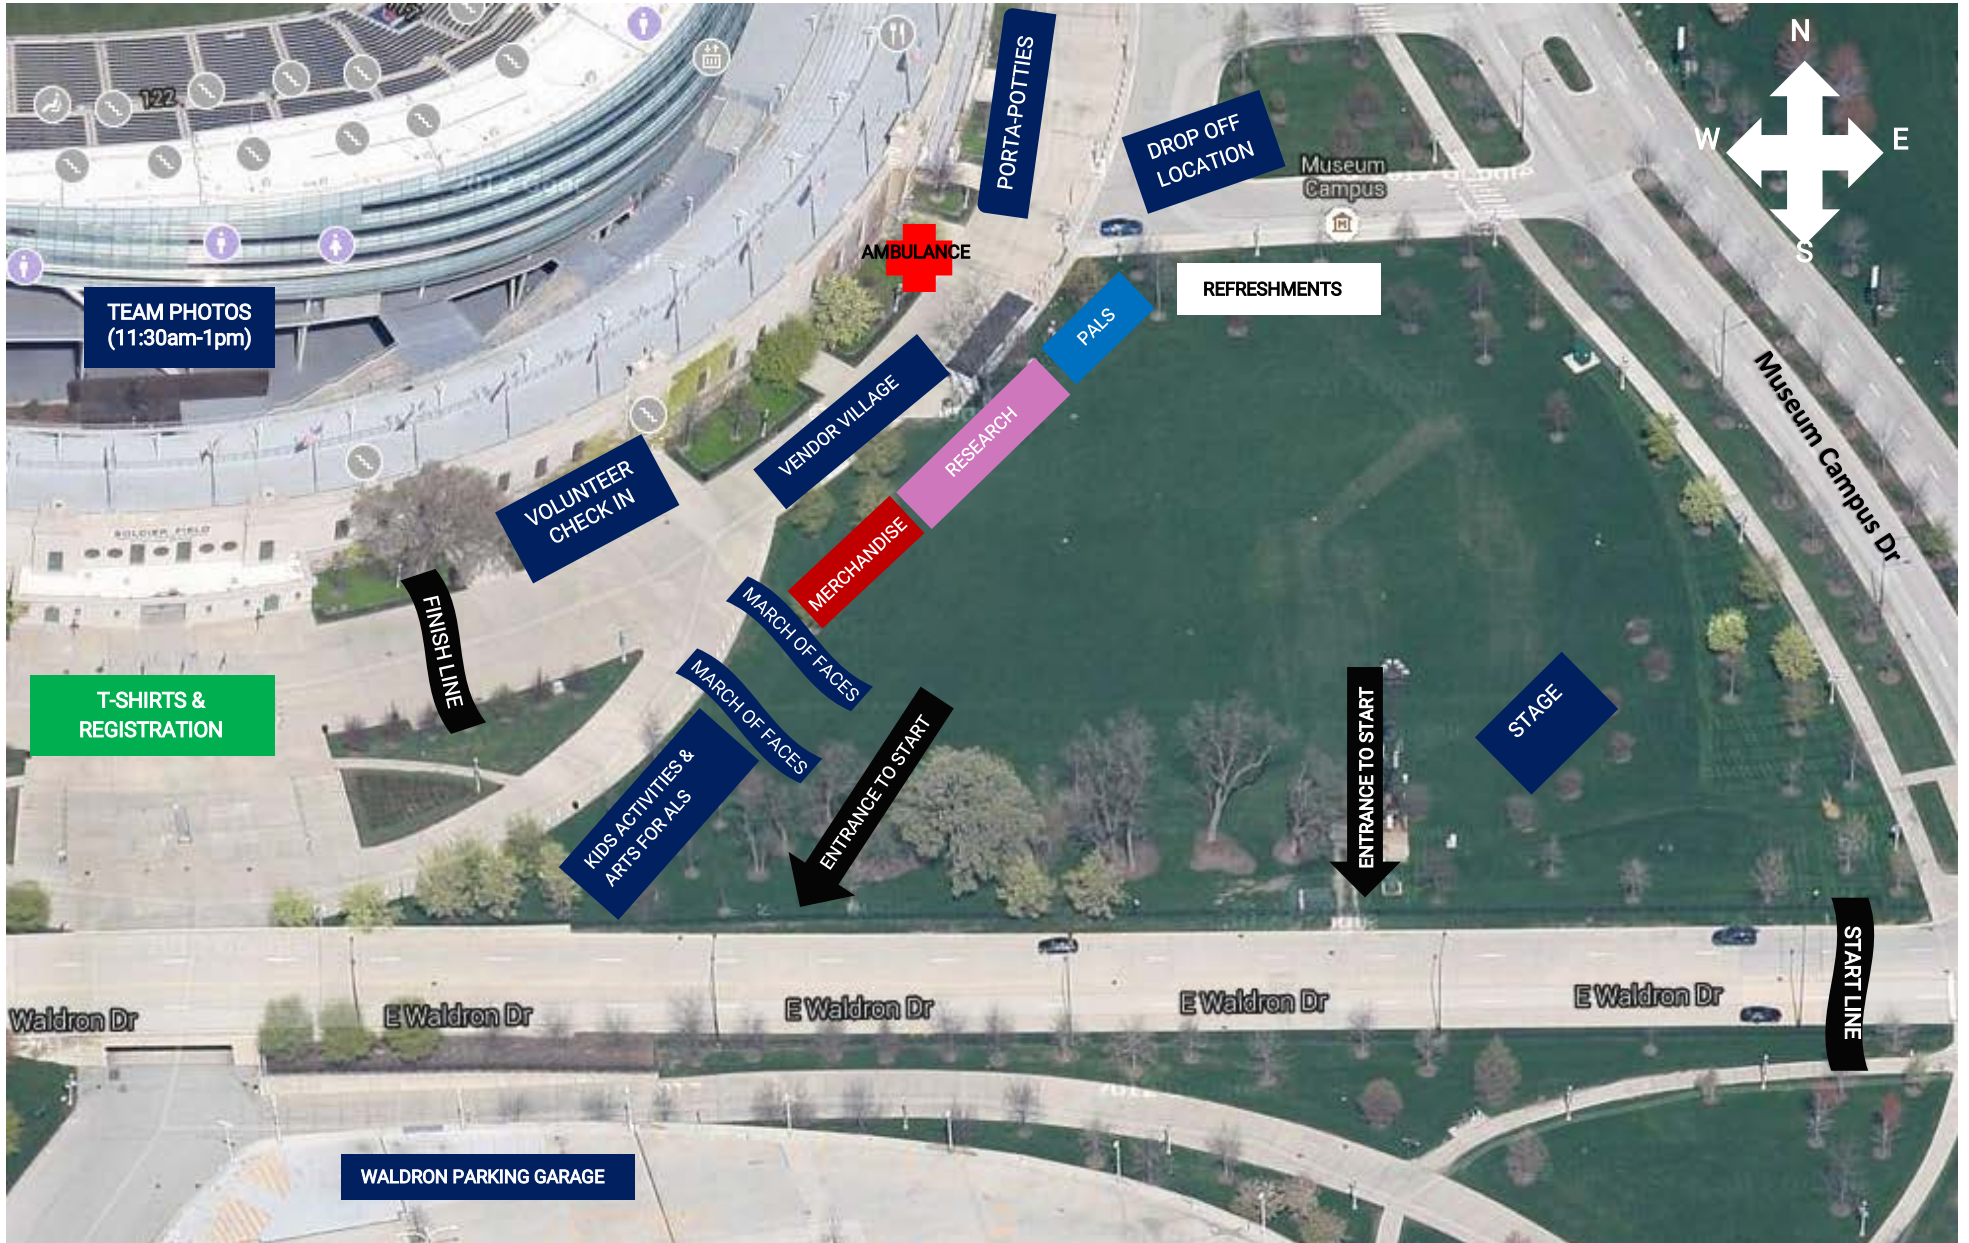

General handicap spots are available in the **Waldron Garage** on a first come first serve basis.

### General Parking

All Walk participants need to park in the **Waldron Garage**. The Waldron Garage can be accessed off of 18th Street. Walkers will be asked to pay \$20 upon entry for the entire day.

### Bus Parking

Once buses have unloaded passengers at the Drop Off, please direct them to the **South Lot** to park. Buses head south on Museum Campus Drive which turns into 18th Street. Buses can then enter the South Lot off 18th Street.
