Dear Walker,

Welcome to the 2018 ALS Walk for Life! We are thrilled that you will be joining us for one of the world's largest gatherings of people living with ALS, families, friends and supporters. Your participation ensures we will make history once again as we strive to break the \$1 million mark while continuing to offer hope and help to the vast majority of people living with ALS and their families in the Chicagoland area!

The dedication of event participants is why the ALS Walk for Life has continued to be a success year after year! As a walker, your primary role is to join your team's fundraising efforts. Once you register, you will begin to receive regular emails from the Foundation with important event information, fundraising tips and inspirational stories. In addition, your team captain will most likely be keeping you up to date with your team's progress.

This guide was designed to answer all of your questions about joining a team, fundraising and raising awareness about the ALS Walk for Life. In this packet, you will find the following:

- Fundraising Ideas Page 3
- Event Information Page 5
- Event FAQ's Page 6

Fundraising Ideas

In addition to your team's fundraising efforts, we encourage all walkers to conduct their own fundraising campaigns. To help get you started, we've included some suggestions on ways to raise money for your team.

Tips for Fundraising Success

- Set a fundraising goal
- Don't be afraid to ask

- Lead the way with a leadership gift
- Spread the word and go viral
- Get creative and have fun!

E-mail/Letter Writing Campaign

Spend an afternoon sending letters or conducting an e-mail campaign

- Expand your reach and include everyone on your holiday card list
- Save time by utilizing the email templates in your Participant Center (see Participant Center User Guide for details)
- Always include a link to your personal and/or team page in your letter/e-mail

Go Viral

- Social media makes it easy to let your friends know that you are participating in the ALS Walk for Life. Post a link to your personal fundraising page, ask for your friends for support, provide updates on your fundraising progress and thank your followers.

Community Involvement

Get your local community involved...

- Solicit businesses you frequent such as your hair stylist, mechanic, doctor, veterinarian, dentist, dry cleaner, tailor, grocery store, athletic club, etc.
- Submit a letter to your local paper's editor about why you are participating in the Walk
- Ask a restaurant to coordinate a month-long "ALS special" where a portion of a menu item benefits your team

- Ask a local restaurant for a month-long "ALS special" where a portion of a specific menu item benefits your team
- Drop off ALS collection cans and tag cards at counters in local shops, restaurants and businesses and encourage patrons to donate their spare change and singles

Daily Routines

Turn your daily routines into a way to fundraise...

- Drive to and from work every day? Hold a neighborhood car wash.
- Eat lunch out every day? Pack a lunch and put your lunch money towards your team.
- Heading to the dry cleaner? Bring an ALS coin bank to place at their register.
- Attending a PTA conference meeting? Bring baked goods to sell.
- Spring cleaning? Hold a garage sale with proceeds benefiting your team.

Matching Gifts and Corporate Support

Many companies offer corporate giving programs that match their employee's donations. Simply obtain the necessary paperwork from your HR department, complete the donor section and send us the completed forms along with your gift. Don't forget to ask your donors if their gifts can be matched. For a list of companies with matching gift programs, please visit <http://lesturnerals.org/get-involved/matching-giftsworkplace-giving/>.

In addition to matching gift, consider getting your workplace involved in other ways:

- Request a casual day where fellow employees can donate \$5 to wear jeans on a Friday
- Ask your boss if he/she will match what you and/or your team raises
- Ask your company to sponsor each employee who participates for \$25
- Include a call for donations/participants in your company's newsletter
- Leave event postcards on the tables in your cafeteria
- Organize a potluck where colleagues bring in dishes and coworkers donate \$5 for lunch

Organize a Wrap-Around Fundraising Event

A wrap-around event is an individual fundraiser that you or your team organizes to raise money for your Walk team. The event can occur anytime during the year so they are a great way to maintain momentum with your team members year round.

Some helpful tips and tricks to consider when planning your event include:

- Don't take everything on yourself - form a committee to help organize the event and meet periodically throughout the planning process
- Assign committee members specific responsibilities – i.e. invitations, prize solicitation, corporate sponsorship, logistics and fine details, etc.
- Ask businesses to donate items you need (food, drinks, decorations, prizes, etc.)
- Keep printing costs down by using electronic invitations – evite.com has great options!
- Get personal and share the reason why you are holding the event
- Provide opportunities during the event to collect donations – ask the Foundation for collection cans that can be placed throughout the venue to collect spare change

Ideas for wrap-around events are endless but some of the more common include:

- Bowling party
- Trivia night
- Karaoke night
- Kickball tournament
- Happy hour
- Jewelry party

We walk rain or shine, so be prepared for all inclement weather. Bring sunscreen, bug spray, blankets, jackets, ponchos, umbrellas, etc.

Is there a registration fee to participate and/or a fundraising minimum?

We encourage anyone and everyone to participate so there is no fundraising and no registration fees. However, we do encourage each participant to set a fundraising goal of at least \$100.

When do you begin and stop collecting donations for the Walk?

Since the ALS Walk for Life has become the Les Turner ALS Foundation's signature event, we begin collecting donations January 1 and will keep our books open until December 31. We encourage you to turn in your money as early as possible but will accept donations on Walk day and after the Walk. Please ensure all checks are made out to the Les Turner ALS Foundation and that anytime you turn in money, your team name and the walker who should be credited is clearly indicated on the check and/or envelope.

Where should I mail checks?

Please mail checks only (no cash) to:
Les Turner ALS Foundation
Attn: ALS Walk for Life
5550 W Touhy Avenue, Suite 302

What are the doggie rules and restrictions?

Can I submit a picture for March of Faces?

Yes! The March of Faces Banner is a pictorial display of the courageous women and men—both past and present— stricken with ALS. The banners are used to heighten public awareness, raise funds for patient services and research, as well as advocate on issues that benefit PALS and their families. The Foundation maintains several banners of people living with ALS from the Chicagoland area and displays them at special events throughout the year, including the Walk. To learn more or submit a photo, please contact the Foundation at info@lesturnerals.org or 847 679 3311.
