Team Gathering Area

On Walk day, teams will gather in the Stadium Green, located on the south east side of Soldier Field. Participants will have access to the grounds at 8:30am. There will be no team village this year so teams can set up wherever they like and space will be available on a first come, first serve basis. For the safety of our PALS, pop up tents are not permitted and we ask that you leave your dogs at home. Still have questions? Check out our list of FAQ's for helpful event day information.
